SPORTS

BASEBALL BENEFIT FOR JOY SATURDAY

Saturday afternoon all the baseball fans will be present at the League grounds for the benefit game to be played as a send-off for Barney Joy, who will leave for the Coast very soon to play with the San Francisco League team. Joy has been the best pitcher in the islands for some years and he will now attempt to make good in faster company and his fellow players are arranging for a goodbye game which will line his pockets before he leaves.

The game will be between the H. A. C. team as it lined up last year, with Joy in the box and a picked team which will represent the remainder of the teams of the League. The picked nine will be composed of the following players: E. Desha, Reuter, Johnny Williams, Ringland, Gorman, Vannatta, Evers, Jack Desha, Geo. Desha, Harry Bruns and Bert Bower. The game should be close and, in spite of the fact that it will be played without practice, should furnish a good article of ball. The band will be present and will add to the enjoyment of the occasion. Tickets entitling the holder to a reserved seat are now on sale at the store of the Hawaiian News Co. in the Young building. The price is 50 cents. As it will be the last chance to see the H. A. C. champion team before it loses a large number of players, it will be an opportunity of which many will take advantage.

E. J. LORD IS HIGH BOWLER OF HONOLULU

The opening of the new bowling alley at the Hotel Bath, which took place Saturday night, was most successful. There was a large crowd present and all enjoyed the hospitality of the management, which acted as the host and would receive no money from those who enjoyed the sport. The alleys are in the best of condition and the only reason that high scores were not made was on account of the fact that no one here is in practice, and this naturally had its effect.

Many of the old devotees of the game in this city were present and took a chance at the game once more. Alce Robertson, Frank Kruger, Ollie Sorenson and E. J. Lord were among the enthusiasts who rolled high scores and who may be expected to do far better in the near future. E. J. Lord was the high man of the evening, making two good scores of 169 and 143, the next high scores being 150 and 149.

With the arrival of the Korea, bringing Irve White, the expert from San Jose, who will have charge of the alleys, there should be a revival of interest which will mean much for this sport in Honolulu.

WATER POLO TODAY

The Diamond Head water polo team will stack up against the Healanis this evening at 5 o'clock. Geo. Cooke will be on hand to coach the boys and show them the way in which it is done at Yale.

MUSICIANS STILL WIN

The Royal Kawaihau Glee Club baseball team won once more yesterday afternoon at Aala Park, defeating the Chinese Alohas by a score of 12 to 6 in a well-played game. The Alohas made a brace in the eighth inning which looked dangerous, but the big lead of the musicians was too much to be overcome. The line-up and score:

Kawaihau—Ayau, ss; Apul, p; Macfarlane, 2b; Paaluh, 3b; Jim Spadde, cf; Mike, c; Kahaawilua, lf; Kupa, lf; Correa, 1b; Hoopli, rf, and Luhi, rf.

Alohas—Lim, ss; A. Akana, 2b; Ah Say, cf; Ah Yup, p; Espinda, 1b; Louis, 3b; Pay, lf; En Sing, rf, and Yau, c.

J. T. EVANS WINS WHITE ROCK MATCH

The White Rock tournament, which was played on the Haleiwa golf links yesterday, was won by J. T. Evans, who, with a score of 44 in the first and 43 in the second round, and helped out by a handicap of eight, carried away the honors easily. Austin White, his nearest opponent, was five strokes behind in the net scores and one behind in the actual score. The links were in fine condition and the play was enjoyed by all who were present.

KEEN RIVALRY BREWING

As the date of the annual Healanis and Myrtle swimming meet draws near the rivalry between the two clubs grows. The swimming teams representing these two clubs are doing more real hard training than the boat crews ever did. The Myrtles are putting in their hardest licks at the Myrtle Boat Club and every evening 15 or 20 swimmers do their distance and practice turns and starts. Every Friday evening this team takes a chance at the Baths, where they can become used to the fresh water. Kopke, Cooper, Lyle, Crozier and Becher are all showing great speed. Bill Roth is depended upon to take the sprints, while the Reds look to Kopke to capture the 100 yard. Cooper also has a look in when it comes to the 50-yard dash.

Sam Chillingworth is acting as trainer for the Healanis and if good hard work counts for anything, the Healanis team will certainly stand a good chance for first honors. These lads assemble at the Baths every evening at 5 o'clock and practice every stunt known in the art of swimming. They have a relay team that will be hard to beat. It will be made up of such men as Dickson, Freeth, Cunha, O'Sullivan, Hustace, Winter, Campbell, Foss and Oss. Walter Macfarlane is also showing good speed.

The first diving competition ever held in this country will be pulled off during this meet and a champion diver will be developed. This should prove a very interesting event. Freeth is a good trick man but the following rules will show that more than tricks will count:

Fancy Diving—Fancy diving shall be judged and decisions awarded by three judges, who shall take into consideration and award points on the following five stages of each dive:
1—The form assumed by the competitors at the start.
2—The form used in the take-off.
3—The form assumed in the drop, or from the time of the take-off until touching the water.
4—The manner of entering the water.
5—The smallness of splash after entering.
No more than one point may be

While thin hair and baldness are undesirable for men, they are vastly more so for women. Nothing adds more to the adornment of women than rich, heavy, flowing tresses. The hair is too valuable to allow it to suffer from neglect. So just as soon as you notice that your hair is coming out you should use

Ayer's Hair Vigor

It checks falling of the hair promptly. This feature of Ayer's Hair Vigor is now recognized as most marked, and has brought to this preparation a world-wide reputation.

You cannot possibly have a splendid head of hair when the scalp is covered with dandruff. We urge upon all who are in any way troubled with dandruff to begin the use of Ayer's Hair Vigor at once. Do not be deceived by cheap imitations which will only disappoint you. Make sure you get AYER'S Hair Vigor.

PRIZE FOR BALLOON RACE

New York, Jan. 23.—Announcement is made by Courtland Field Bishop, president of the Aero Club of America, that a man of great wealth will offer a big prize to be competed for in the balloon races to start from St. Louis. The prize will be of sufficient magnitude to attract inventors from all parts of the world to this country. It is said that the sum is \$200,000. Announcement was also made that there would be no elimination contest to choose the defenders of the international cup. Mr. Bishop, Augustus Post, secretary of the Aero Club, and Samuel H. Valentine were selected to name the three defenders. They were instructed to make their decision not later than February 29.

E. R. ADAMS COMES ON STEAMER MOANA

The Canadian-Australian steamer Moana arrived yesterday afternoon from Victoria and left for the Colonies last night at 10 o'clock. The voyage from the Sound was uneventful according to the officers and the weather was fine all the way, though a little rough after leaving Cape Flattery.

The Moana brought down 100 barrels of lime for Hackfield & Co. and 40 boxes of salt fish for Davies & Co., with a few miscellaneous parcels. There was very little freight for this city or the Colonies. Contrary to her usual custom, the Moana docked at the Oceanic wharf, taking on 100 tons of coal.

Among the passengers on board who were for this port was ex-Courtesy Supervisor E. R. Adams, the Coast representative of Alexander & Baldwin. The Pollard Lilliputian Company was on board on its return from the States, where they have been for the past two years.

DR. JOHNSTON AT CENTRAL UNION

Dr. Johnston, the world-famed speaker on matters religious, was greeted yesterday morning at the Central Union church by an appreciative audience that filled the church to the doors and overflowed to the street.

Dr. Johnston's handling of his text, "The Word Became Flesh," was in a terse, logical manner and gave food for thought to a great many of his hearers.

No one who attended was disappointed and it is to be regretted that Dr. Johnston cannot remain longer. From indications yesterday it would be wise for all who desire to hear this great preacher to come early if they wish a seat.

CHINESE RECEPTION

The How Wong Society will give a Chinese New Year's eve reception this evening at the hall of the United Chinese Society on King street. There will be speeches and refreshments served.

Open Letter From Pacific Department Royal Insurance Company of Liverpool

Many of the Companies which at the memorable meeting of June 12th voted in favor of a horizontal deduction of "not less than 25%," have, as we predicted, found it impossible to settle their San Francisco losses on that basis and have been forced, though reluctantly, to pay considerably more than an average of 75% of their claims. Some which voted to adjust every claim on its merits and pay the same "Dollar for Dollar," have fallen away from that high and correct standard and have submitted their policy holders to sharp deductions from adjusted claims. Others, while paying in full, have, in accordance with Eastern usage, exacted a cash discount in lieu of sixty days' time in which to make payment.

The "ROYAL" has paid every claim as soon as the amount of loss has been agreed upon with the assured, in full, in cash, without a cent of discount. Comparatively few companies have pursued as broad and as liberal a course.

We have refrained from commenting upon the conduct of any individual company, believing it better to extol the virtues of our own. The ROYAL INSURANCE COMPANY of Liverpool has paid to date 2,369 claims, aggregating \$5,850,635.88. We have remaining but a few unsettled losses, and these are chiefly awaiting authorization of claimants abroad, probate proceedings, or further investigation as to actual amount of loss.

The "ROYAL" continues to be the leading Fire Insurance Company of the world. Its annual income is over \$15,000,000. Its San Francisco gross losses were not very much more than one-third of one year's premiums, and its surplus, after all losses are paid, will exceed the surplus of any other Company in the world.

It has been building up its reserves for years against just such a disaster as came to San Francisco and was therefore able to meet its great losses with equanimity. It will continue to pursue the even tenor of its way and will doubtless be more popular than ever with insurers.

You are perfectly safe in putting your business in the "ROYAL," knowing that it will under all circumstances be able to fully and promptly meet its contracts and that it will not resort to any quibbles or shifty pretenses to avoid its obligations. Now is the time to make use of your opportunity.

There is no eluding the issue; there are "Dollar for Dollar" Companies; there are "Six-bitters" and there are "Welchers." There are also Companies strong, and Companies weak, financially.

No Company can offer a better policy than the "ROYAL," few as good. ROLLA V. WATT, Manager Pacific Coast Department, WM. G. IRWIN & CO., LTD., Agents for the Territory of Hawaii, 3592-1m
